## Cost of Participation

We hereby apply for (not to be filled by co-exhibitors) :

| Compulsory Cost                               | Total Cost |
|---|------------|
| Space Rental: US\$ 90.00 per sqm              |            |
| Participation Fee: US\$ 225.00 per sqm        |            |
| Total: US\$ 315.00 per sqm                    |            |
| _____ sqm (_____ m x _____ m)                 | US\$       |
| <input type="checkbox"/> <b>Optional Cost</b> |            |
| Shell Scheme Package: US\$ 63.00 per sqm      |            |
| _____ sqm (_____ m x _____ m)                 | US\$       |
| <b>Subtotal</b>                               | US\$       |

No account shall be taken of conditions or reservations specified by the Exhibitors contained in the registrations. Requests for specific sites do not constitute a condition of participation. Only upon receipt by the Organisers shall the registration be deemed to be submitted. In consideration of the Organisers agreeing to consider the registration of the Exhibitor the Exhibitor agrees that it shall not at any time during the Relevant Period withdraw its registration. Particulars given shall be stored for automatic data processing and shall be made available to third parties upon implementation of the

contract. Registrations shall be processed in the order received. Any registrations received after the start of space allocation can only be considered if sufficient space is available. Any services offered by companies having exclusive rights in the fair grounds must be ordered through the Organisers.

For the purpose of this clause - Registration - the relevant period shall commence from the date the Exhibitors submits his registration to the Organisers and shall end on the last day of the exhibition.

### 7. Admission

In principle, only those Exhibitors whose product range is covered by the title and remit of the event shall be admitted in the Exhibition. There is no legal right to admission.

The Organisers shall have sole and absolute discretion to decide on the admission of exhibitors and exhibits. Any firm which has failed to meet its financial obligations owing to the Organisers or affiliated companies (from previous fair participation and/or under the terms of these Conditions of Participation, or Item 8) may be rejected. Exhibitors will be informed of admission in writing and admission shall apply only to the Exhibitor stated therein. The mailing of the notice of admission gives rise to a contract between the Organisers and the Exhibitor.

The Organisers shall be entitled to revoke any admission if such admission was based on a misunderstanding, false information or if the preconditions for approval no longer apply.

Should the Organisers be compelled to relocate or change individual stands, entrances, exits or aisles at a later point in time, this shall not give rise to any claims.

If through no fault on the part of the Organisers the space allocated is no longer available, the Exhibitor shall be entitled to a refund of the participation fee, free of interest, as agreed liquidated damages. No claims for further damages may be submitted.

Following admission by the Organisers (conclusion of the contract), the obligation to pay the participation fee shall remain legally binding even if, for example, the authorities in the exhibiting country do not approve, in whole or part, the Exhibitor's import requirements, or if exhibits for any reason whatsoever fail to arrive in time or to arrive at all (e.g. owing to loss, delays in transit or customs), or if the Exhibitor or his agent is delayed or even unable to attend. Should the Exhibitor or his agent fail to take over the allocated stand area two days prior to the beginning of the Exhibition, such area may be otherwise disposed of in such manner as the Organisers shall determine in its absolute discretion. This shall not release the Exhibitor from his contractual obligations or entitle him to demand for refund or lodge any other claims against the Organisers.

### 8. Terms of Payment

The currency of invoice is in US (US\$).

**8.1** Participation costs set forth in item 6 shall be due upon approval of the registration. The exhibitor shall be billed for such amounts. 50% of the participation costs must be paid upon confirmation or allocation of space. The balance shall be paid not later than 30 June 2018.

Account number : 175.6000.123 (USD)  
Swift Code : PINBIDJA

**Important Note: Payment is subject to 10% VAT according to Indonesian Government Tax – PPN**

**8.4** For failure to meet any and all commitments on the part of the Exhibitors, the Organizers shall be granted a right of lien in respect of the exhibitors' stand equipment and exhibits (the "Lien Items") on the understanding that the Organizers are entitled to realise and/or sell the Lien Items in order to meet such commitments. The Organizers cannot be held liable for damages to/loss of the Lien Items arising from such realisation and/or sale.

**8.5** If invoices are sent to a third party on the Exhibitor's instructions, the latter shall still remain a debtor of the Organizers.

**8.6** In case of default by the Exhibitor of payment of any sum due to the Organizers, interest shall be charged on the outstanding sum at a rate of 7% p.a. Where payment dates are not met, the Organizers shall be entitled to rescind the contract or otherwise dispose of the stand area and the Exhibitor shall be responsible for all losses suffered by the Organizers. Item 10 of the Conditions of Participation shall apply.

#### **9. Withdrawal or Non-Participation**

The Exhibitor shall not be entitled to withdraw his registration or reduce the fair space after submission of the form of registration.

Following approval, the Exhibitor is no longer entitled to withdraw his registration or reduce the fair space. Both participation fee and any other costs actually incurred by the Organizers must be paid.

Withdrawal by the Exhibitor or any waiver of the allocated stand area shall only become effective upon receipt by the Organizers of a written declaration to that effect. The Organizers are entitled to rescind the contract in the event of an application for composition or bankruptcy proceedings in respect of the Exhibitor's assets or where such an application is rejected on the grounds of insufficient assets. The Exhibitor shall inform the Organizers thereof at once.

#### **10. Exhibits**

All exhibits must be listed individually on the registration form giving an exact description. Any display of inflammable or pungent exhibits or exhibits whose demonstration entails noise requires the prior written consent of the Organizers.

Exhibits may not be removed during the course of the event. The operation and demonstration of exhibits is only admissible within the scope of accepted standards. The Organizers are neither in charge of nor responsible

for questions of licenses, quotas or transfers of sales proceeds.

#### **11. Technical Guidelines**

The Technical Guidelines are a constituent part of these Conditions of Participation and must be adhered to. The Technical Guidelines shall be handed over to the exhibitor at the latest with the order form for services.

#### **12. Fair Insurance and Exclusion of Liability**

The Organizers have concluded a general trade fair insurance contract covering the usual insurable risks such as fire, burglary, theft, breakage, leakage and water damage, including the risks of transportation to and from the fairgrounds. On application, each Exhibitor can have his participation risk covered at his own expense under this general insurance contract. On request a corresponding form will be sent to the Exhibitor under separate cover together with the service package offer.

Exhibitors who do not avail themselves of the insurance cover offered by this general insurance contract in time, acknowledge in respect of the Organizers that they waive all right to asserting any claims for damages which would have been covered, had they taken out the insurance protection offered. All damages incurred must be reported in writing to the police and to the insurance broker (also by telex or telefax). Incidences of fire, theft and burglary must be reported to the trade fair management and the police within 24 hours of such occurrence.

The Organizers and her affiliated companies are liable for personal injury and damage to property only in the case of wilful intent or gross negligence on its part or the part of its servants. It accepts no duty to exercise proper care with respect to exhibits and/or stand fittings. This exclusion is in no way limited by the security measures provided or decoration services undertaken in individual cases.

The Exhibitor is liable for all damages caused to third parties as a result of his trade fair participation, including damages to buildings on the fairgrounds and to the exhibition halls and/or their furniture and fittings, save where such damages are covered by a local third-party indemnity insurance.

#### **13. Circulars**

Once the stand areas have been allocated, the Exhibitors shall receive circulars giving information on preparations for the staging of the fair. Any consequences arising from disregarding these circulars shall be borne by the Exhibitors.

#### **14. Reservations**

Any rules and regulations of the host country or the local contractual partner differing from these Conditions or Participation or imposing additional restrictions shall have precedence at all times. The Organizers shall not be liable for any resulting losses or other disadvantages to the Exhibitor.

The Organizers shall be entitled to postpone, curtail, extend or cancel the event and to close individual or all sections of the fair temporarily or permanently due to Act of God, force majeure, orders/directives imposed by any Government authority or any other unforeseen circumstances. Should it become necessary to postpone, curtail, extend or cancel the event, the Exhibitor shall not be entitled to withdraw from the contract or claim compensation; should he nevertheless waive his right to the stand area allocated to him, Item 10 of the Conditions of Participation shall apply. The Organizers shall not be liable for any losses sustained or disadvantages suffered by the Exhibitor as a result of postponement, curtailment, extension or cancellation. Rather, the Exhibitor shall in such case be required to

bear a reasonable share of the costs incurred by the Organizers in preparing for the event.

Where the Exhibitor has placed orders with the Organizers for services supplementary to those covered by the participation fee (Item 6), he shall be billed for the costs incurred until this point in time.

#### **15. Copyright**

The Exhibitor gives permission to the Organizers to publish before, during and after the Exhibition any and all press releases, photographs, product information, and brochures sent to them for the purpose of obtaining publicity for the Exhibition and/or Exhibitor.

The Exhibitor guarantees that all graphic elements, designs and photos are either:

- 1) original material,
- 2) paid for by the Exhibitor or,
- 3) already in the public domain such that the Organizers cannot be sued for copyright violation.

#### **16. Final Provisions**

In submitting the registration, the Exhibitor agrees to be bound by these Conditions of Participation. Any other agreements, individual permits or special arrangements shall require written confirmation by the Organizers.

Should any of the above items be or become invalid, this shall not affect the validity of the remaining terms. The resulting gaps shall be filled in such a way as to maintain the sense and purpose of the contract. Any claims of the Exhibitor as against the Organizers shall be barred after six months. The period of limitation shall commence with the end of the month in which the event closed.

All costs and expenses (including legal costs on a full indemnity basis) incurred by the Organizers in the recovery of any monies payable to it by the Exhibitor or in the enforcement of any terms of these conditions shall be borne by the Exhibitors.

Time shall be of the essence of the contract in relation to all provisions of these conditions as shall relate to the payment of any monies from the Exhibitor to the Organizers.

All notices, demands or other communications required or permitted to be given or made under these Conditions shall be in writing and delivered personally or sent by prepaid registered post of by facsimile addressed to the intended recipient thereof at its address specified in these Conditions or in the Application Form (as the case may be), or such other address notified by such party. Any such notice, demand or communication shall be deemed to have been duly served (if delivered personally or given or made by facsimile) immediately or (if given or made by letter) two days after posting and in proving the same it shall be sufficient to show that the envelope containing the same was duly addressed, stamped and posted.

These Conditions and the contract arising there from shall be governed by and construed in accordance with the laws of Singapore. The parties hereto irrevocably submit for all purposes of or connection with any matter or issue relating to these Conditions and the contracts arising therefrom (including disputes relating to the cheques and drafts issued in payment of any sum due to these Conditions) to the non-exclusive jurisdiction of the courts of Düsseldorf, Germany or the courts of the country in which the registered office of the Exhibitor is situated. The parties hereto irrevocably waive any objection which it may have now or hereafter to the laying of the venue of any proceedings in such court as is referred to herein and any claim that any such proceedings have been brought in an inconvenient forum.
